DAVID WAYNE VANCE
1955-1975

In Memoriam

Morning comes with a soft sky,
then noon brings lusterous light
that fades into a lone evening
reaching for the darkness of night.

The morning comes with a soft
sky that is as guiltless as a baby
just born. Both grow older with each second.
Both become bruised and torn.

Bruises bring strength to a child
to help him find his way.
The path he trods often becomes
dark and lost like the end
of a long hard day.

High noon illumines the earth,
as day has reached its peak.
The child that has lived through
the morning of his life now
has noon to seek.

Noon takes the child and turns
him into a man. This time of life is
where the most beauty lies,
while the world is in his hands.

The loneliness of the evening slips
up sooner than anyone ever
knows. Things begin to turn around
putting the world above the
man, pushing the man farther below.

Finally, the evening fades into
night and a lifetime is almost
at an end. The man loses his
strength and needs others on
whom he can depend.

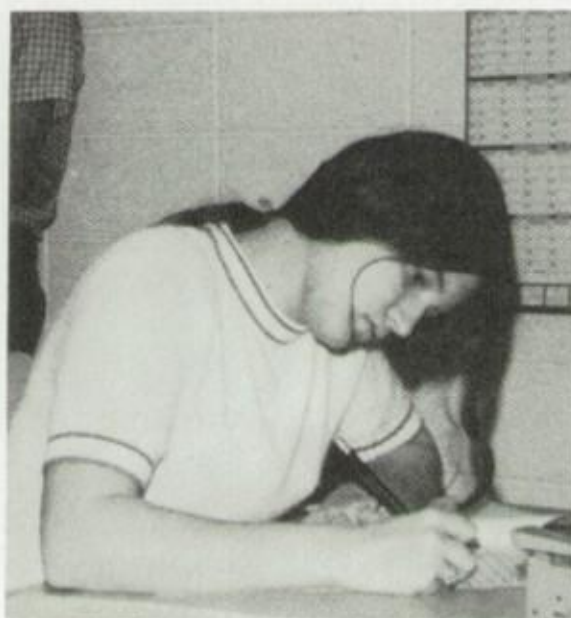

David broke through the morning
and reached to declare high noon.
The world lay beneath his feet
and waited while he composes
his tune.

Noon took his life and turned him
into a man. He left this world
beautiful and will stay
that way in God's hands.

Our School Is An Experience

Looking back a few short
years, when we made our plans
and played the cards the way
they fell . . .

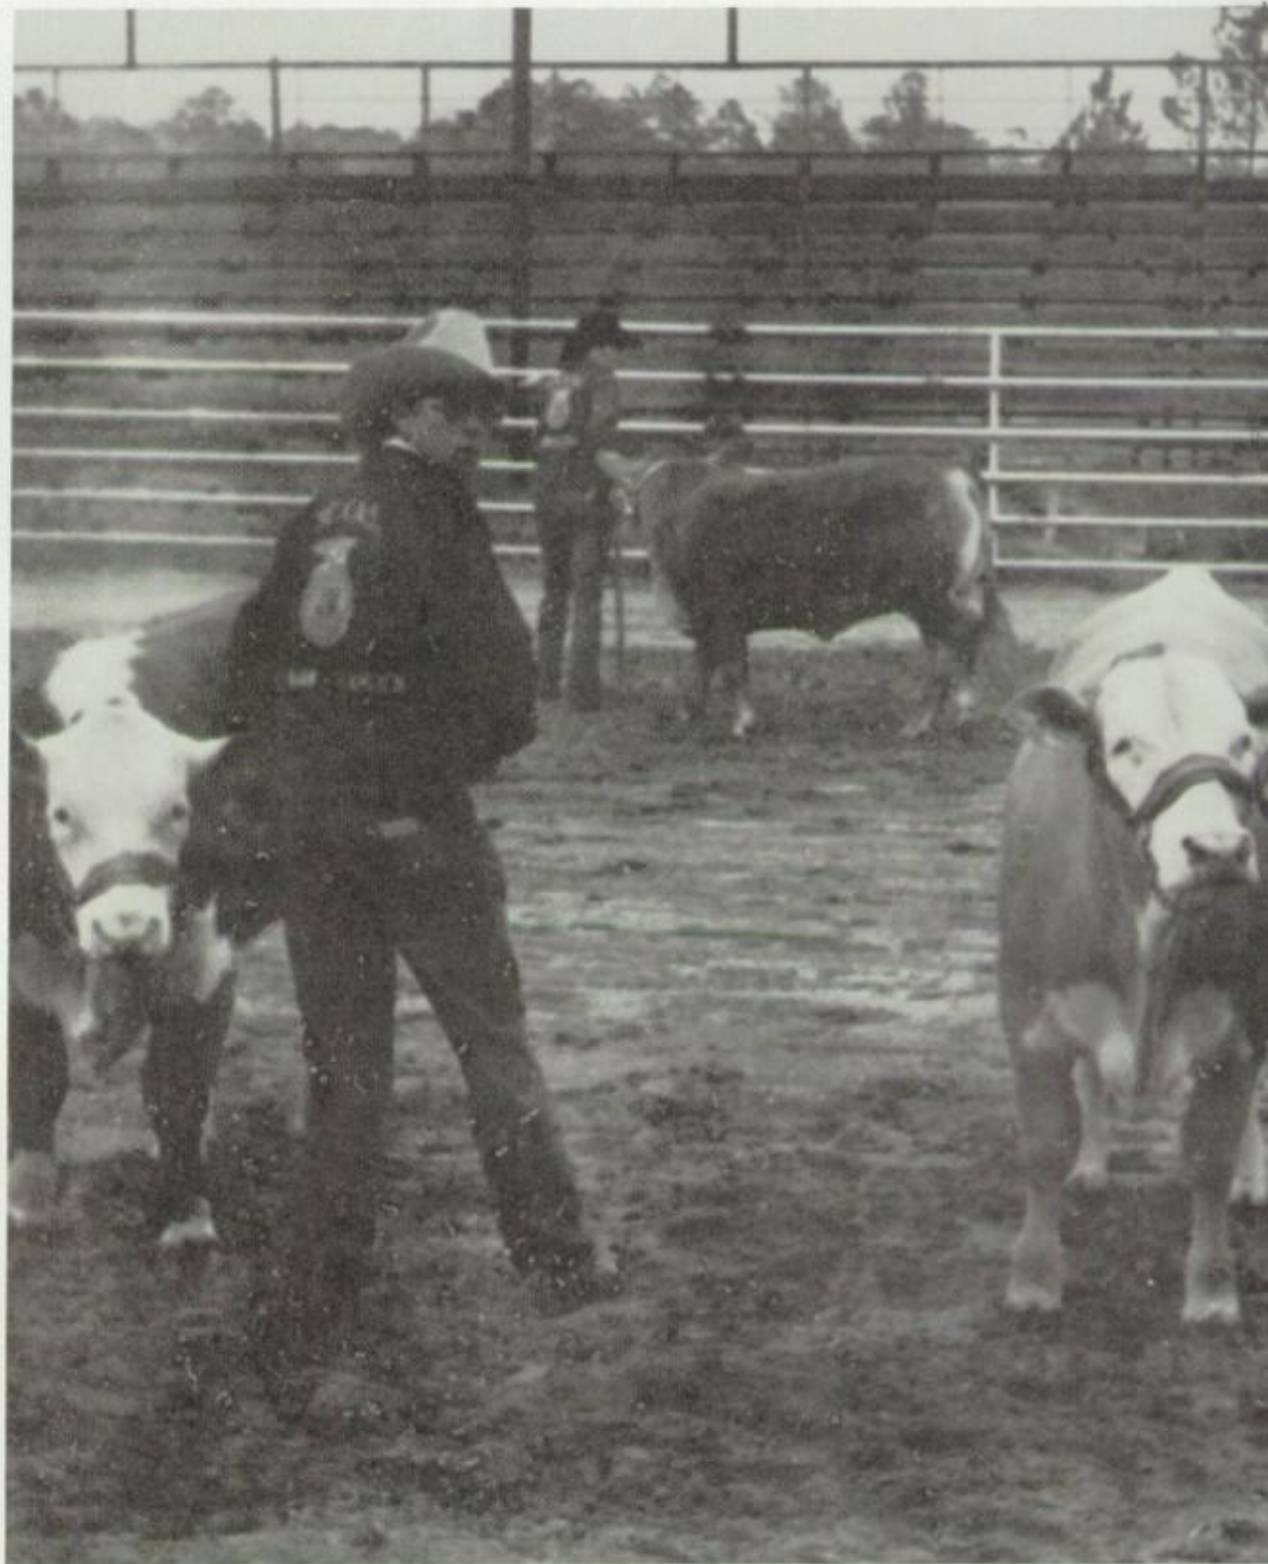

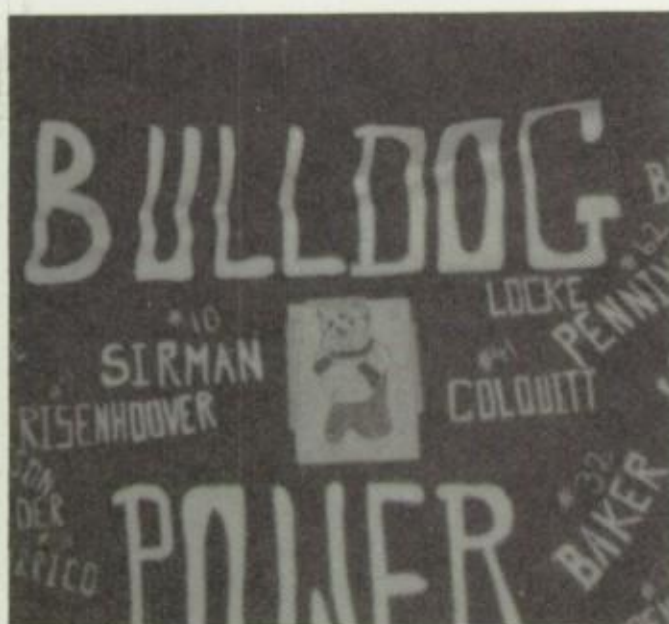

*If we plan for something,
we work with the
firm conviction that
we will succeed!*

Clinging to our confidence; we stood on the
threshold of the goal that we knew dear . . .

And though we had our fights,
had our short-tempered nights

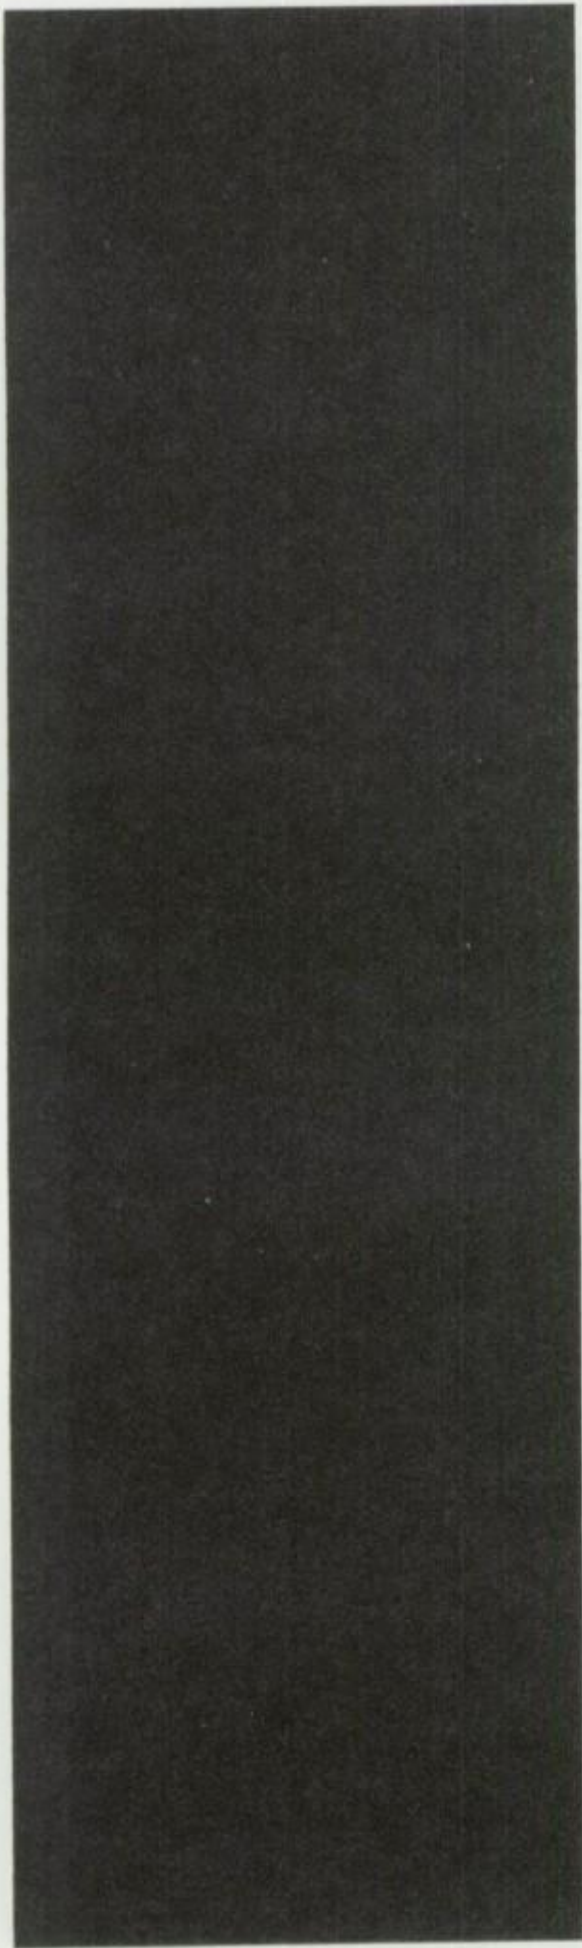

It couldn't pull our dreams apart. All our needs and all our wants, drawn together in our hearts, we felt it from the very start . . .

It's all happened recently.
Now we're living in that dream
we had not long ago.

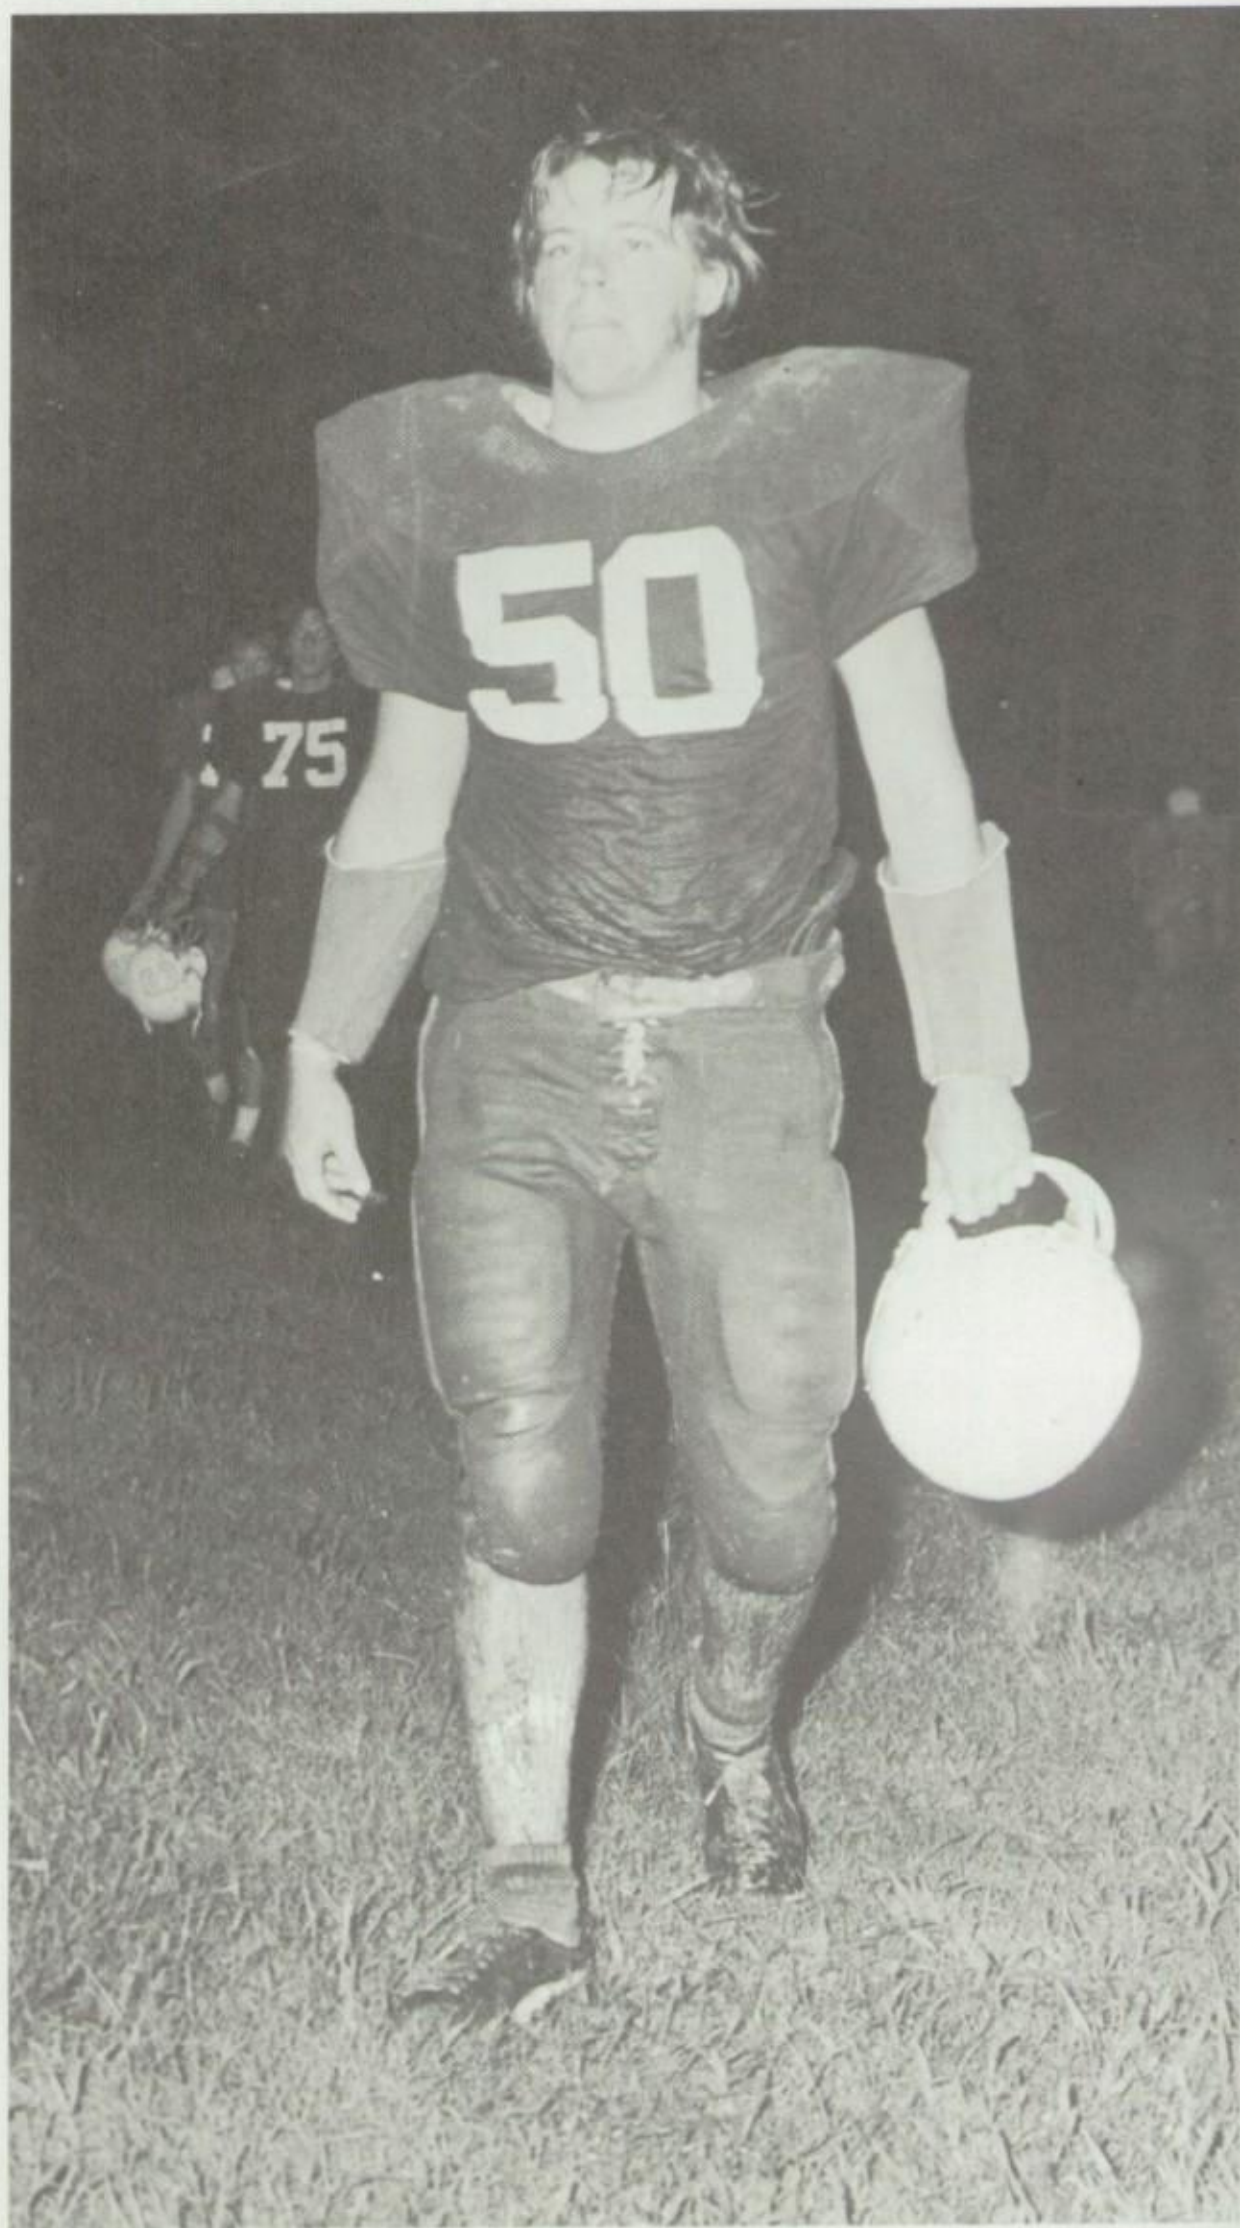

Everything is going fine. And
now, we just have to keep in mind
...

Not Satisfied With Being Just "Good" . . .

We must set brand new goals.
We must not lose control of the
possibility of finding the
discovery . . .

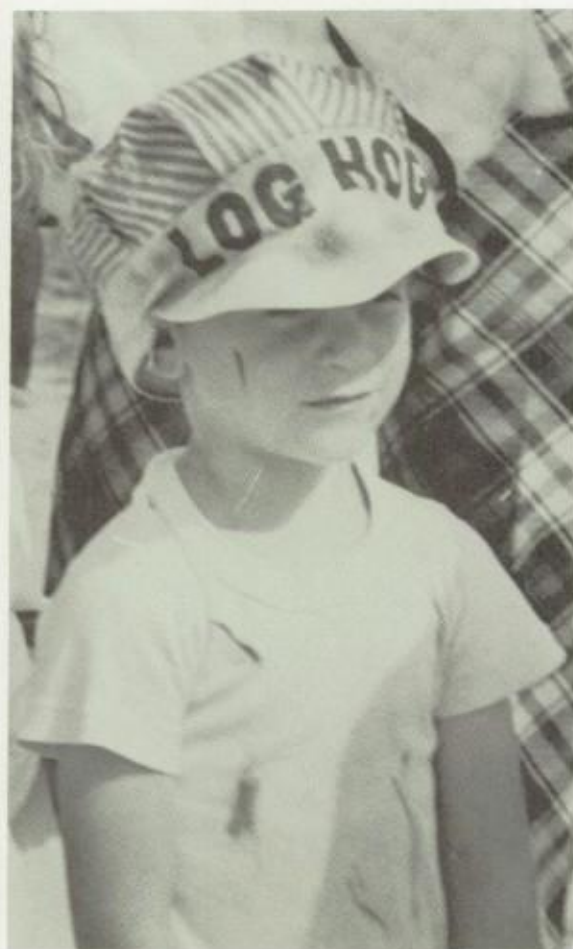

We strived to become excellent, and were successful.

That would let everybody see,
that we were just meant to be.

Terry Kath,
CHICAGO

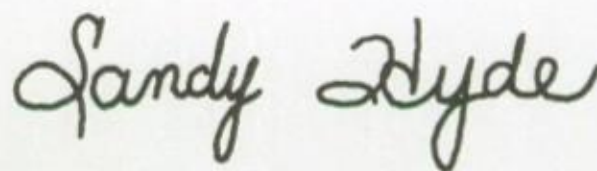

Editor's Message

You hold in your hands one of the most historical books ever printed. A yearbook. Not just a picture album, but a record of important events, friends, and every-day happenings that make C-CHS unique.

An annual staff does not make a yearbook. A school does. Corrigan-Camden has many characteristics which makes it different from any other school in the world. It is these characteristics that the BLUE QUILL must show.

The BLUE QUILL staff of 1975 has worked in earnest to present to you what we believe is a true reflection of our school and its characteristics. We hope you enjoy our version of the story of Corrigan-Camden High School, 1974-75.

A handwritten signature in cursive script that reads "Sandy Hyde".

Editor,

PLAYING THE CARDS

Pioneer Day Revives

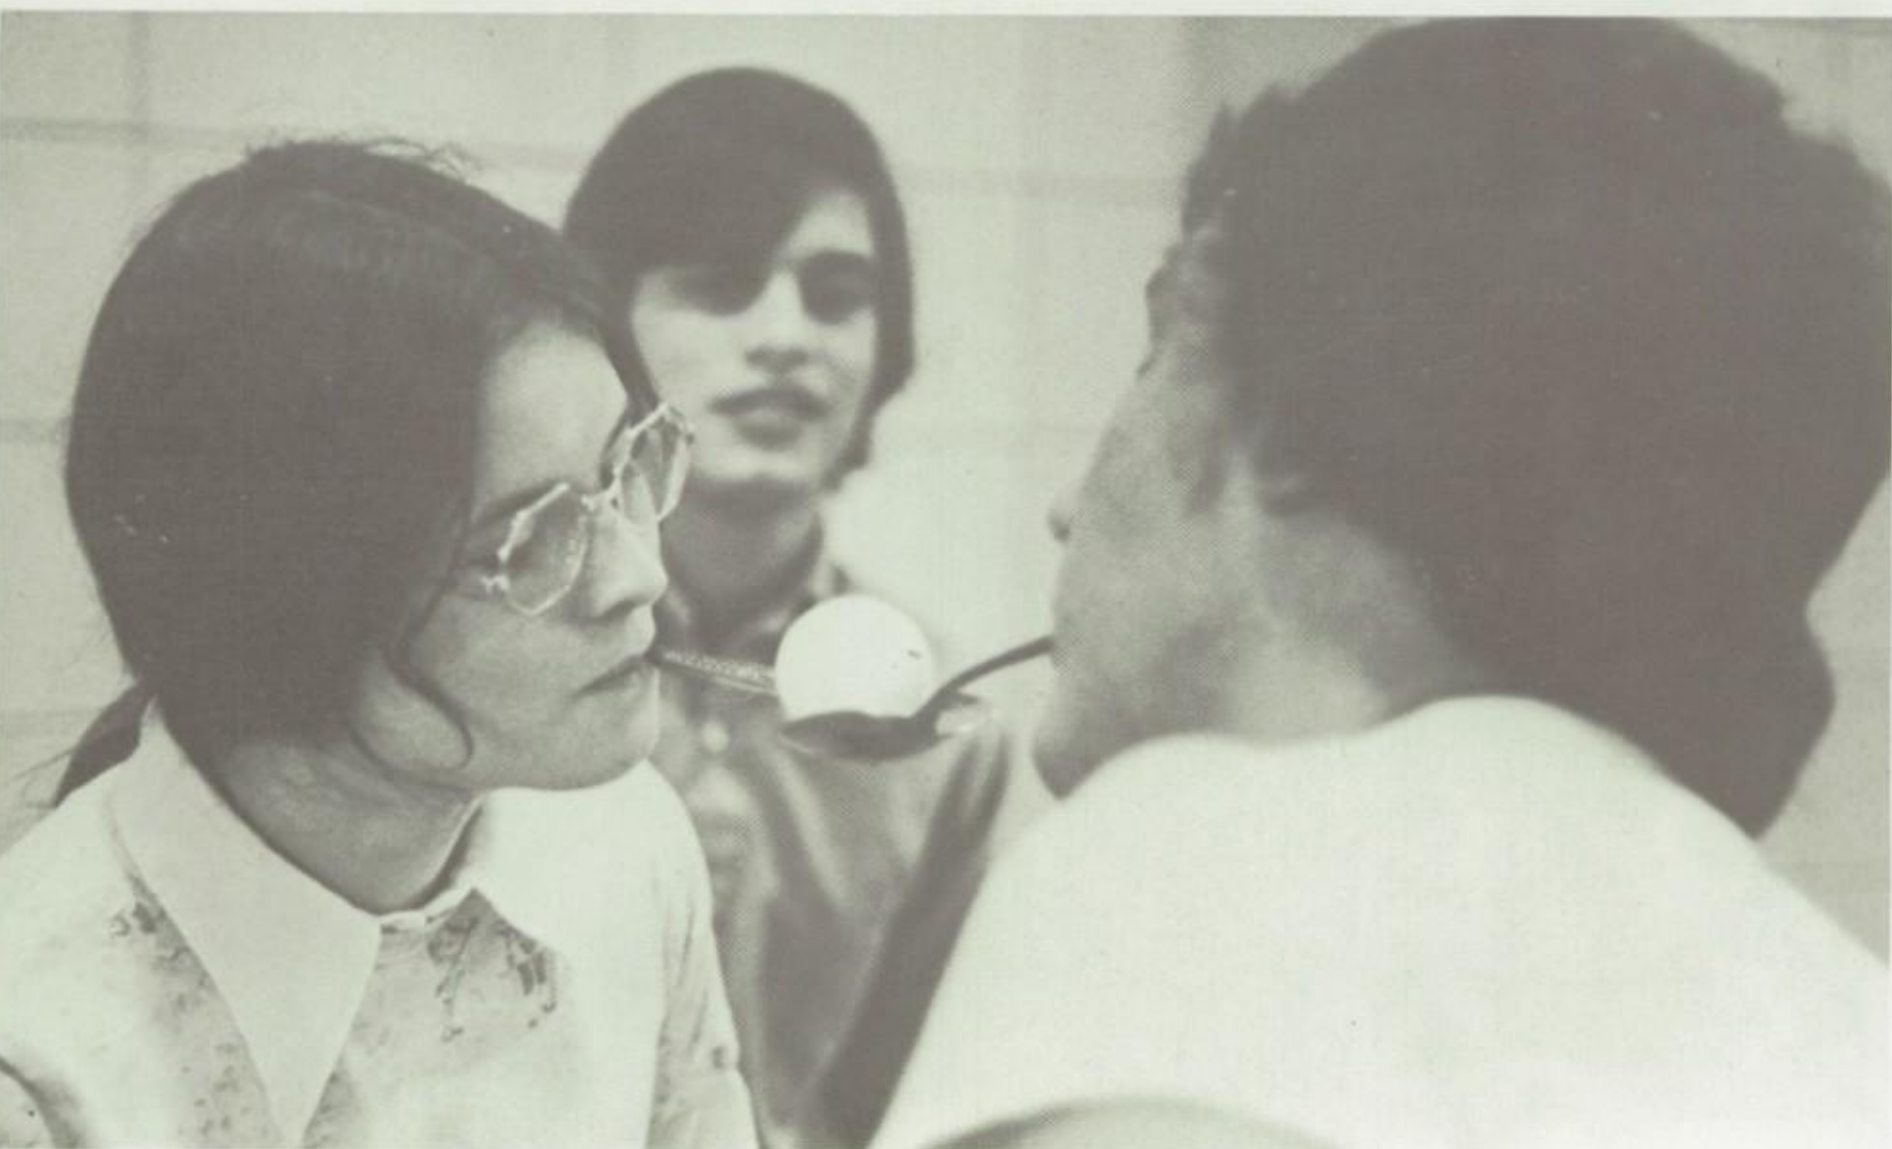

Pioneer day brings back old fashioned fun. RIGHT: Albert Blalock runs obstacle course. BELOW: Randy Wilson tries his luck with the egg race. BOTTOM: Sophomores battle out tug of war with the Freshmen.

An Old Tradition

Balloon popping was very popular. Here Kevin Drummonds battles with his opponent. BELOW: Mr. Atlas 1975. BOTTOM: La Donna Jones and Randall Reinhardt attempt to transfer the egg from one spoon to another.

RIGHT: Participants in the obstacle course. BELOW: More balloon popping. BOTTOM: Pioneer Day at the Intermediate School.

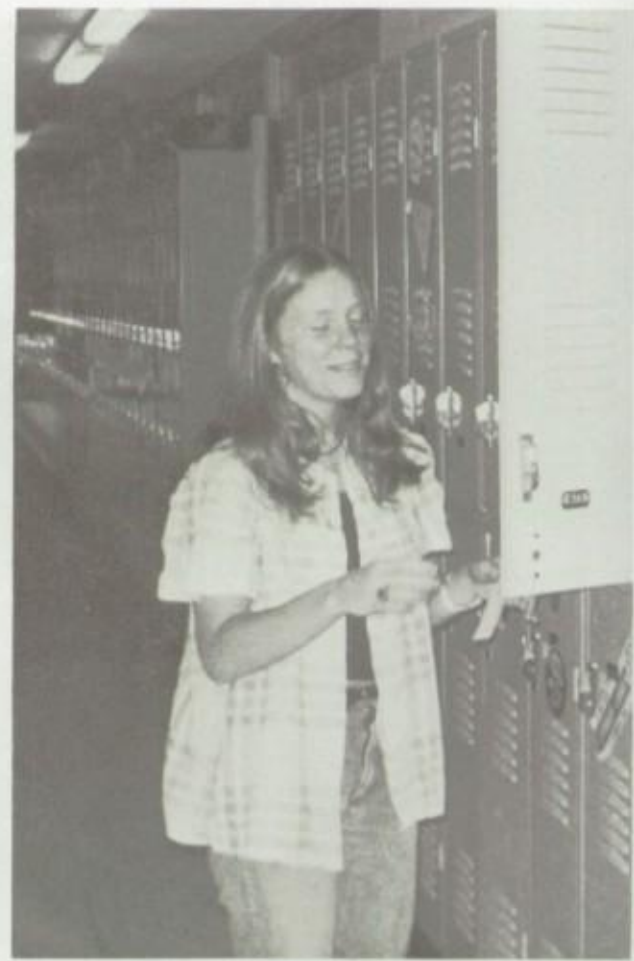

LEFT: "Now I've told you once, and I've told you twice and I'm not gonna tell you anymore!" Coach Buzzy Cockrell joins in the Pioneer Day fun.

BELOW: Winners of "Best Dressed Pioneer" contest, Gail Wood, Theresa Lott, and Bill Locke.

ABOVE: "What did you say?"

"Oh please don't!"

It's the Easter Bunny!

CENTER: Mr. America, 1996. LEFT: Two popular celebrities. BELOW: It's come to take us away.

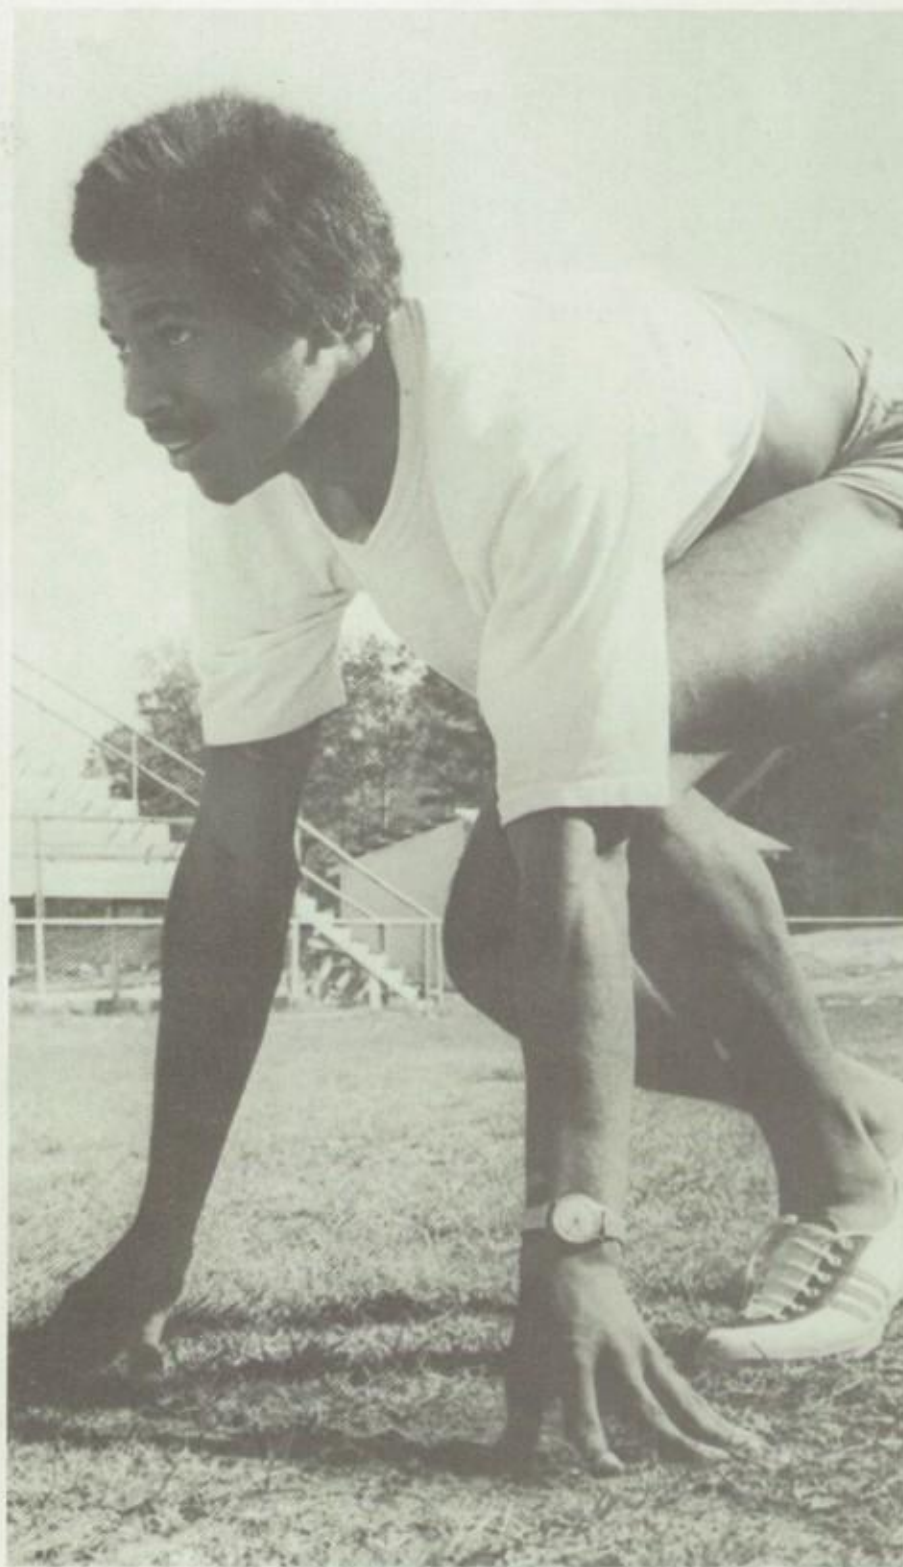

"This is ridiculous!"

Juniors learn about careers in the medical field from a mobile unit provided TWU. RIGHT: Ready for take-off!

LEFT: It was a good year for baseball at C-CHS. Here Tommy Spain bats during B-District game with Hamshire-Fannett.

There's No Place Like Home

"How many more days do we have left?" We worked, we sweat, and we enjoyed. Each class worked late hours to complete what they hoped would be a winning float. "Yea, the seniors won!" Homecoming Queen candidates walked on pins and needles until the announcement came. "Linda got it!" The work finished, we waited for the morning.

"Forward march!" The 1974 Homecoming Parade began our festivities on October 12. "How much farther do we have to ride this thing?"

The parade over, everyone enjoyed B-B-Q chicken at the school. Then came the class reunions. "You haven't changed a bit!" "Game time. Well, you can't win 'em all."

Two dances were held after the game. "My feet hurt!" "What time is it? After midnight?!" "Good night."

LEFT: A helicopter visited our school one day . . .

RIGHT: . . . and a little man with a green suit on crawled out . . .

LEFT: . . . and Mr. Hyde said it was exactly what he had been looking for to get away from school for a while . . .

RIGHT: . . . And the helicopter left. Nobody could find Mr. Hyde and was sad that he even wanted to get away for a while.

LEFT: Pitcher Buck Harris shows his stuff.

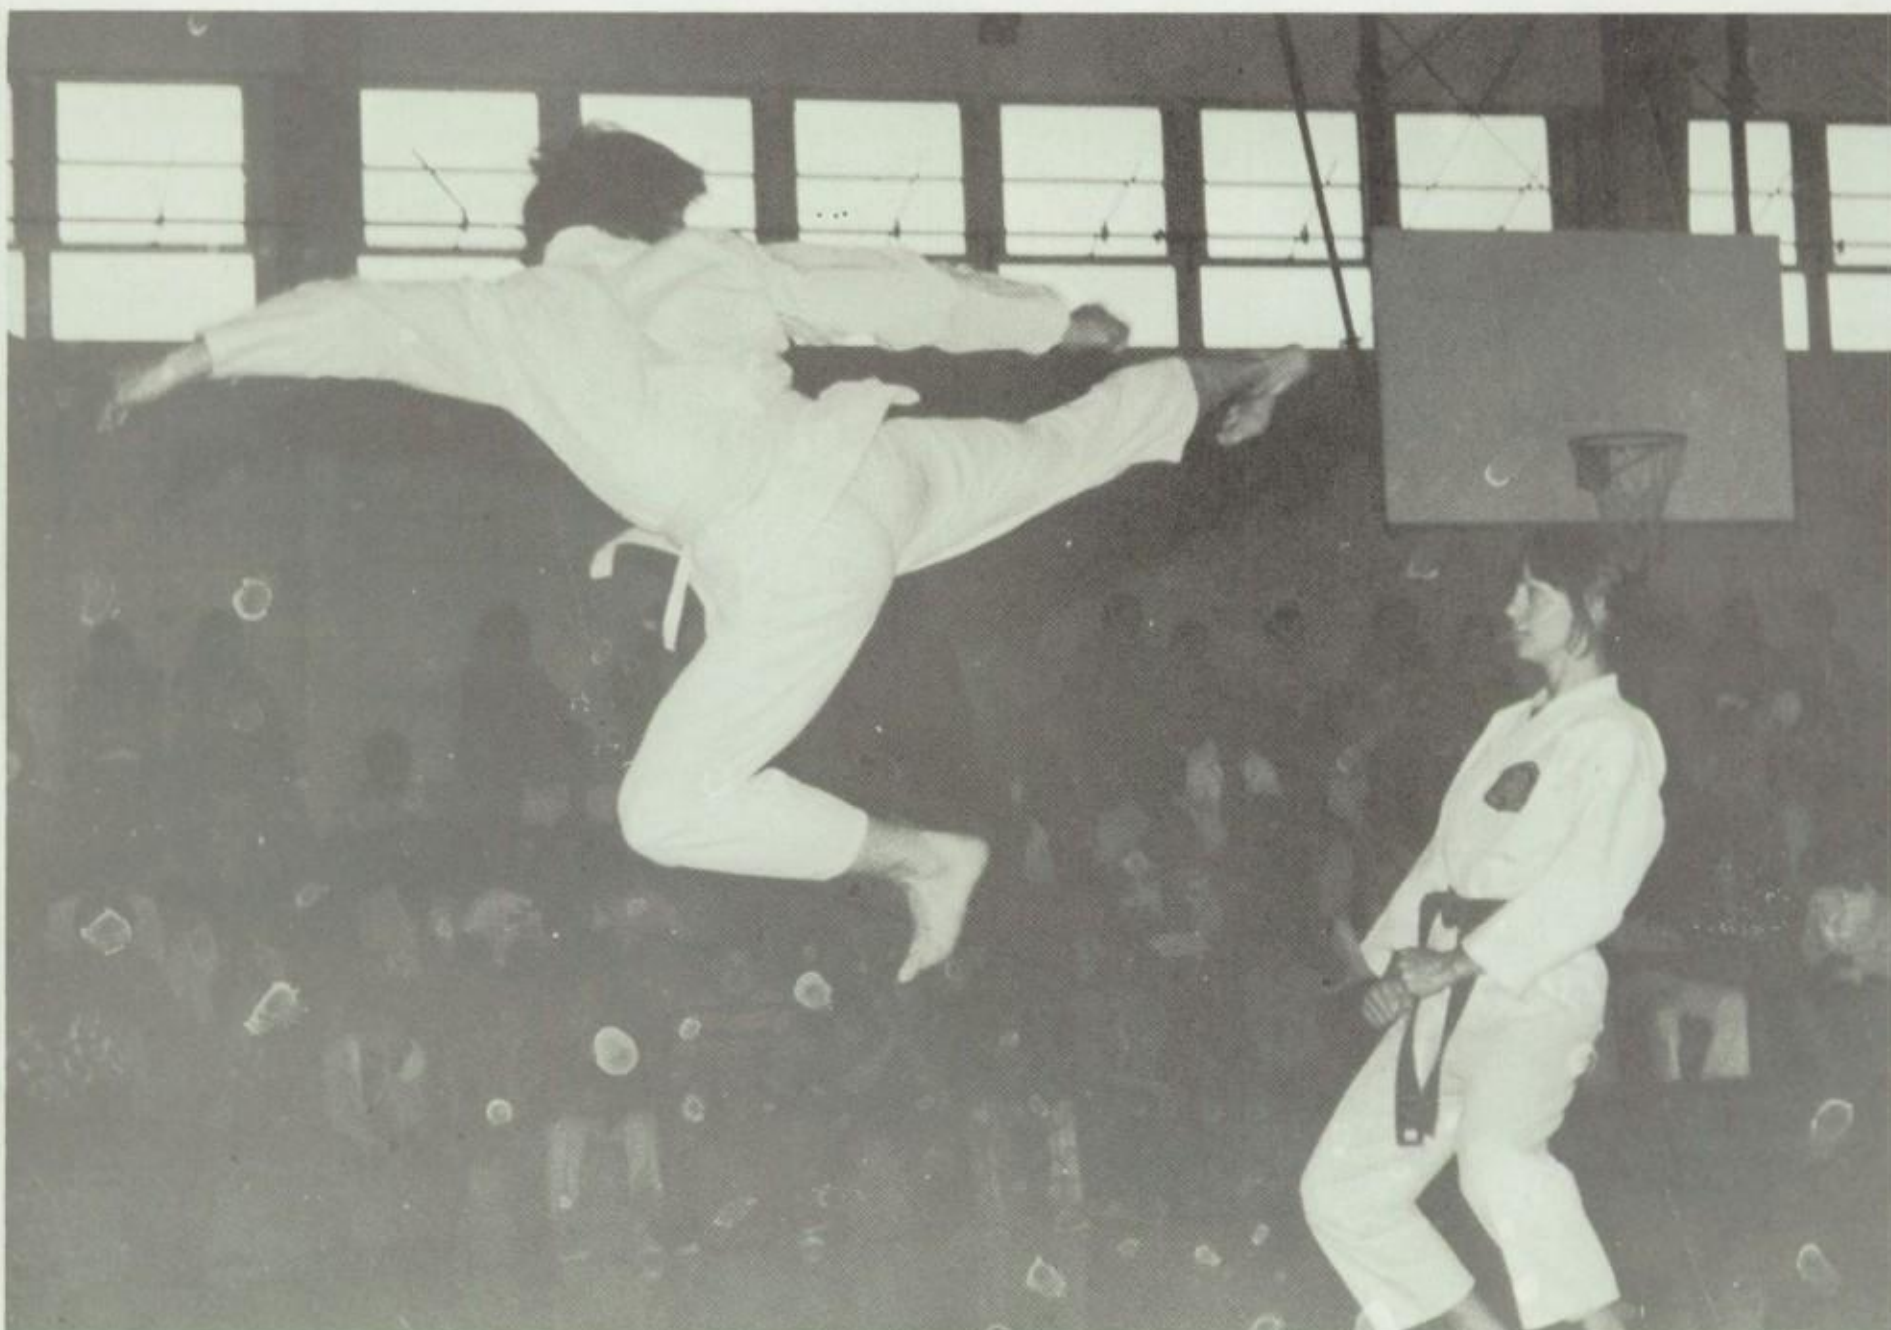

BELOW: Sophomores Gail Wood and Janice Cockrell try their hand at an old pasttime.

"It's a bird . . . a plane . . . no, it's Miss Hardy."

This year the students of C-CHS had the privilege of being given a demonstration of the unusual form of art called Tai Kwan Do. The instructor for this demonstration was Don Schule. The boy standing on the left is Zac Pennington.

Don Schule demonstrates one form of defense.

Zac tries his luck at the art.

The boys saw a lot of action this year too!

The baseball team provided a lot of excitement for the school and community as they ripped up a string of opponents.

Life gets a little topsy-turvy at the elementary school!

Who told you to turn around?

Trying to hide something, Mrs. Moore???

Looking for something??

And everybody thought this was fun.

We're fixing to blow this joint up.

Yeah, I'm proud of me.

You heard us right.

Hey, I wonder if they'll let us come back next year???

The real death race??

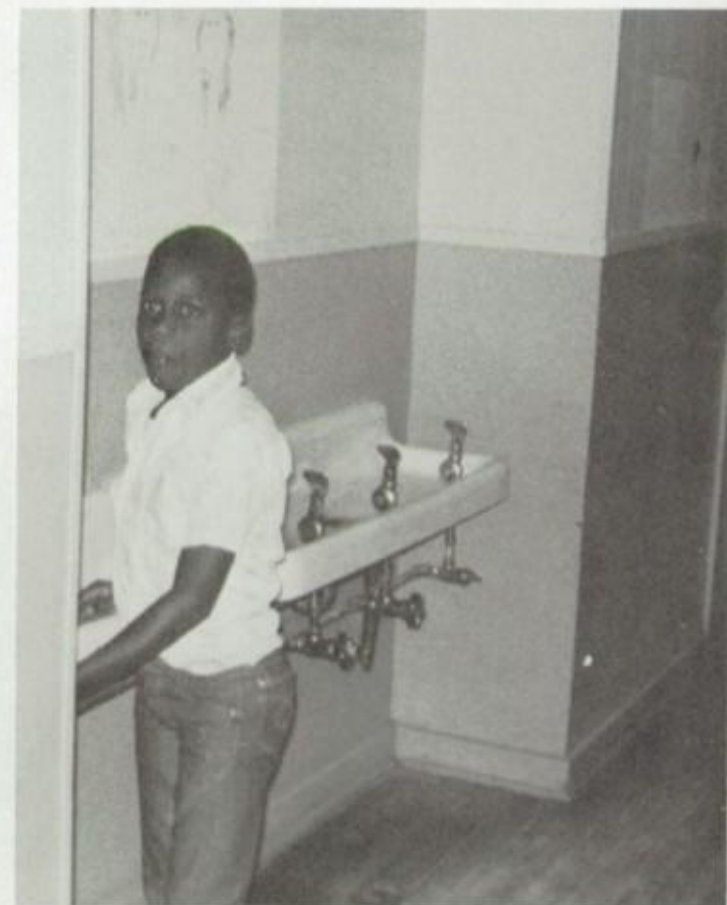

Where did you come from?

Come on in, we're not doing anything.

Gee, George you're heavy.

Reckon they charge for water?

You didn't expect to find me on a school bus, did you?

I believe they're just a little camera shy.

*OUR
CONFIDENCE*

Board Of Trustees

Board of Trustees members from left to right are (Top Row) J. R. Cockrell, G. R. King, A. M. Burris. (Bottom Row) Johnny Powell, F. E. Smith, W. B. Andrews. Other members NOT PICTURED are J. S. Martin and H. G. Hoffman.

J. R. Cockrell *Superintendent*

What can be said about a man like J. R. Cockrell that gives him the credit he deserves? He is a man that carries more than a full load of responsibility and yet makes time to get involved with the students. He is respected by so many and still humble. He makes many decisions but always with consideration for others. He is truly a leader.

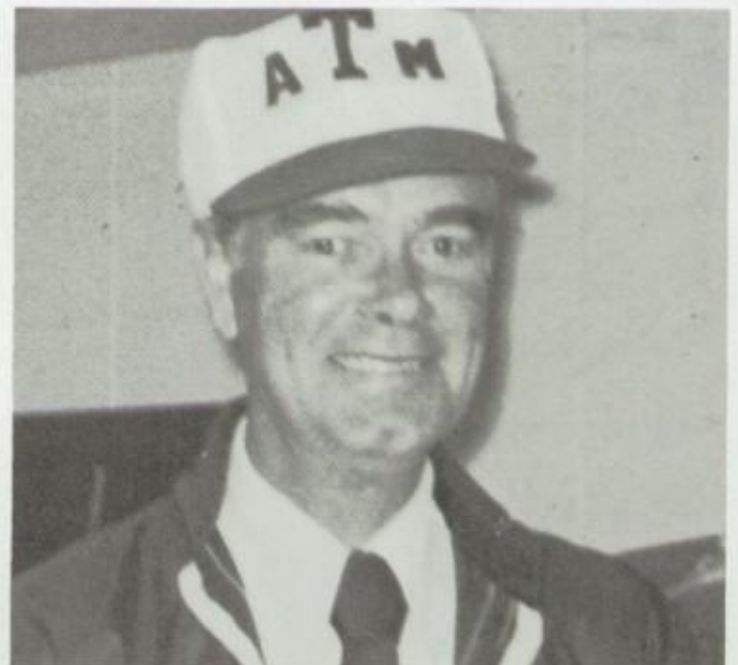

Frank Hyde Jr. High And High School Principal

Mr. Hyde is a man of many talents. Aside from his ability in writing, creating comical skits, and playing the harmonica he runs C-C H.S. with organization and pride.

Jana Broxson

was kept busy by working for both Mr. Hyde and Mr. Cockrell the last six weeks at C-C H.S. Her skill along with her smile helped to make things a little brighter.

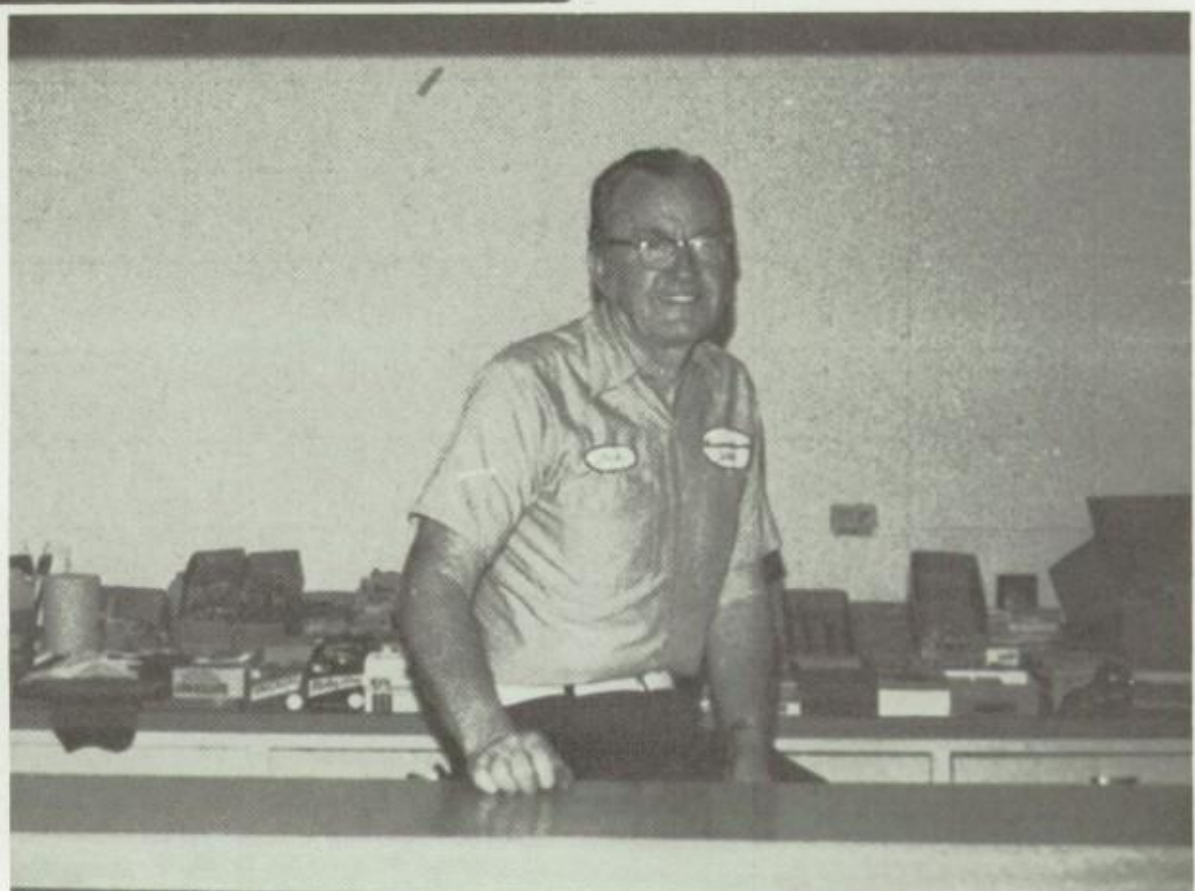

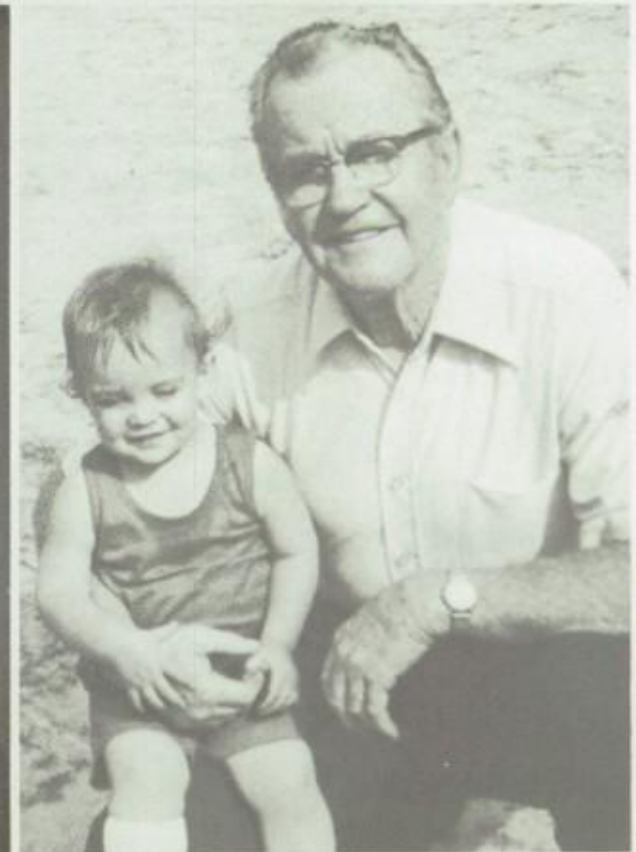

Dick Skinner

What does he do? The answer to that question is, "A little bit of everything."

Dick is first of all C-C H.S.' own candy man. He keeps the school looking good and does his best at keeping those teachers on their toes.

Dick is pictured with his grandson, Steven James Skinner.

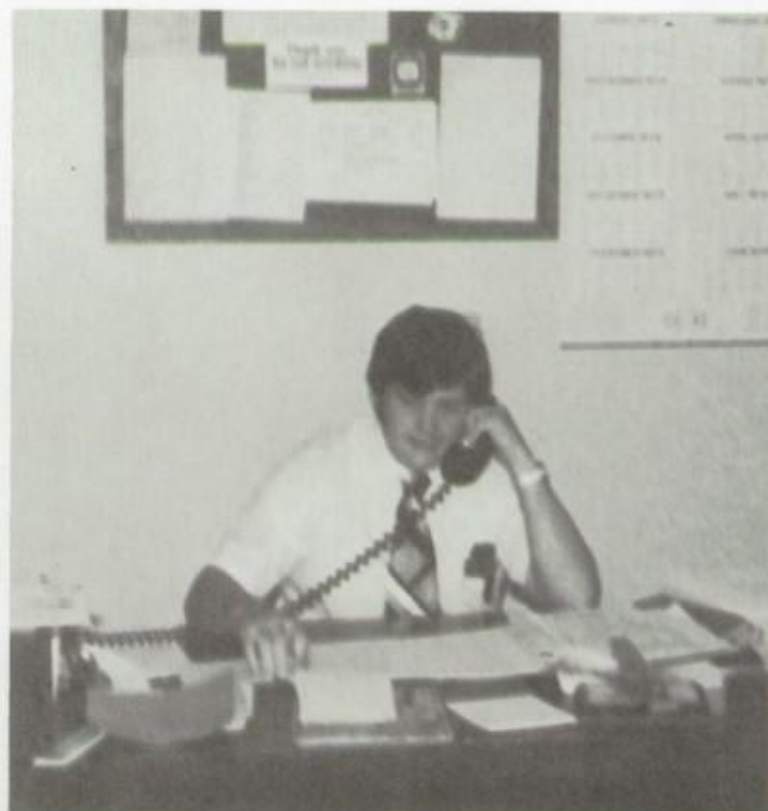

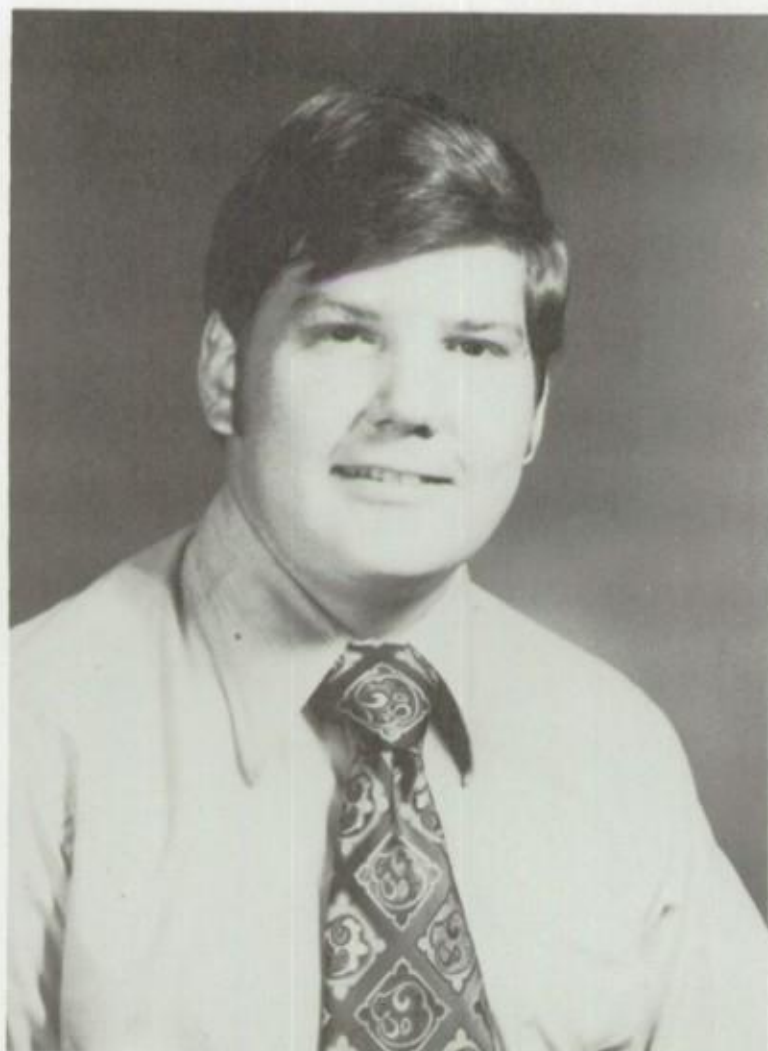

Mr. Pate runs the Intermediate School smoothly and efficiently and still finds the time to teach a 6th Grade Class.

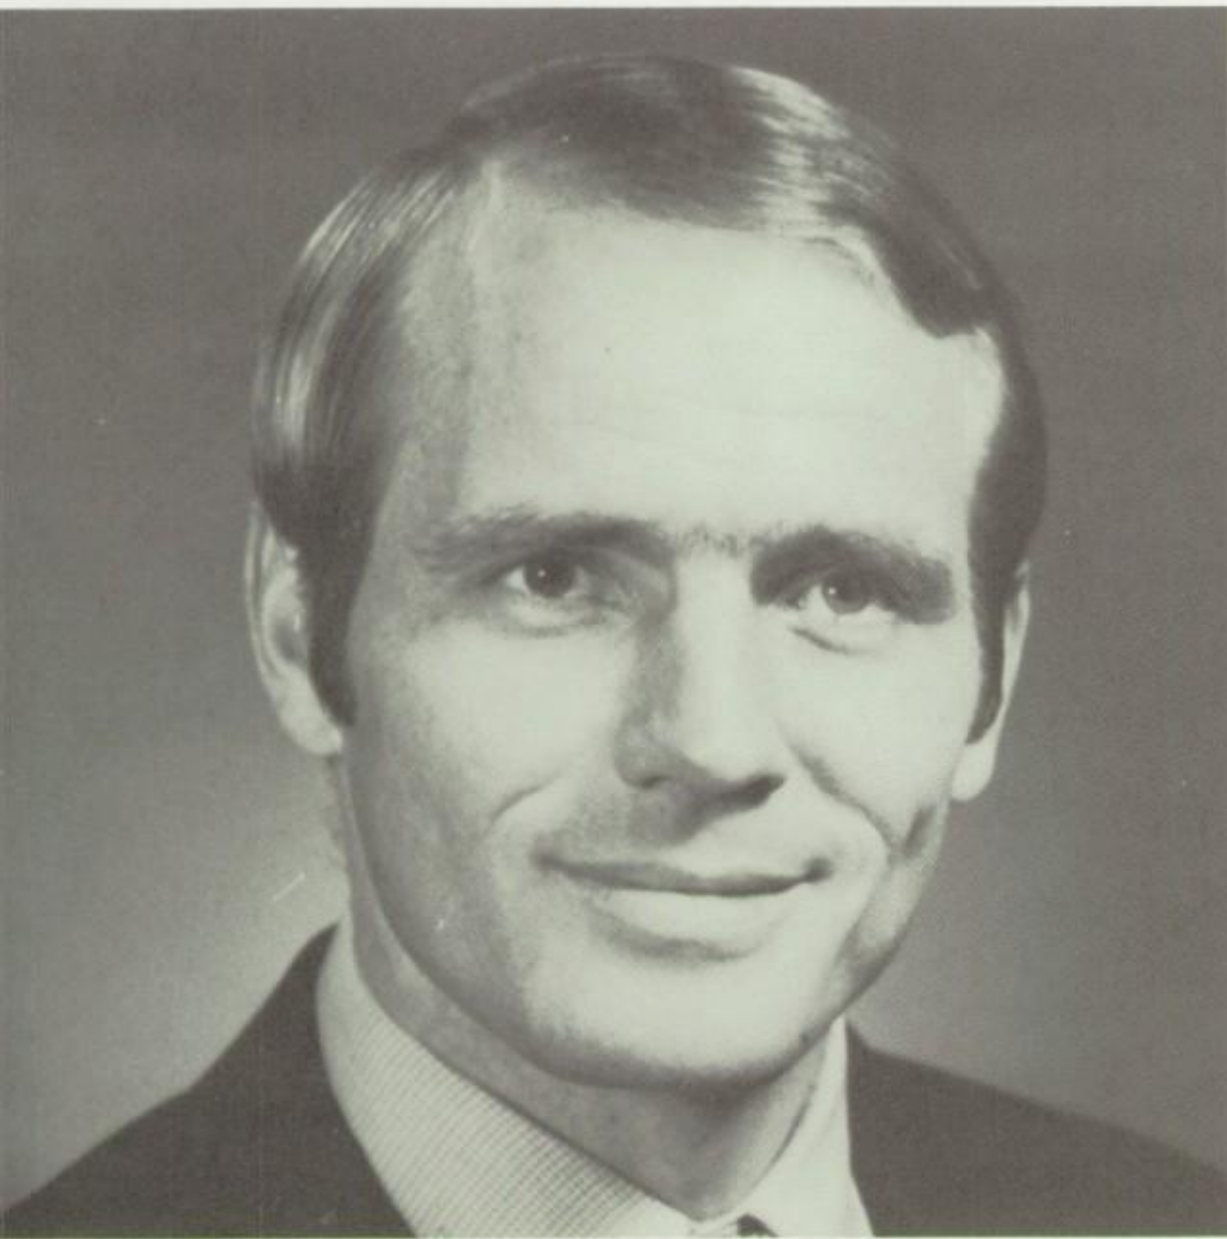

Jack Pate
Intermediate
Principal

Leon Murdoch
Elementary
Principal

Mr. Murdoch is truly a man on the move as he is in charge of kindergarten through the fourth grade.

Jacob Sherman

Mr. Sherman carries the title of Business Manager at Corrigan-Camden. He also took over the role of counselor and still made the time to teach ninth grade science

*Mary Lou Spain, (Left),

These two ladies help to solve many of the problems that students always seem to acquire during a school year. They always have friendly faces and kind words when they are called upon for help.

The school of Corrigan-Camden has obtained a quality of pride, unity and determination that has come from our administration and faculty. These men and women have put forth their best efforts to instill in the students of this school a need to want the best life can offer and strive to reach that goal. They have showed us the long, dark roads to success and have put in our hands a light with which to travel. They are indeed our friends, our foundation, and our confidence.

THE VALUE OF EDUCATION

The emphasis on education is now greater than ever before.

As the world becomes increasingly complex, students must continually strive to prepare for the future. Unlocking the secrets of the environment can only be accomplished by educated minds.

We at Gulf States strongly support the advancement of knowledge. Call it an investment in the future.

And our future depends on your future.
